

CHAIN & GO Demolition Derby

WESTERN CAROLINA STATE FAIR

Stoney Roberts Promotions, Inc. AIKEN, SC OCT. 24th Thurs. 7 P.M.

We are continuously told that they wish derbies were like they were 50 yrs ago. Strip the cars, chain up the door-s, put on a helmet, eye protection, and go. None of the changes and alterations that people now do, to try and compete with those who have unlimited resource, and materials. There are still people that just want the thrill of the ride, along with the adrenaline rush of competition. They do not have the access of complete auto shops. Here is your chance to do just that. We hope to allow you to display your driving ability. Not your access to materials. We still consider the Demolition Derby the best ride on today's Midway.
